Student Research Program

- ❖ Encourages gifted medical students to consider a career in pediatrics by providing a stipend to work in a pediatric laboratory for an 8-10 week period.

52 funded students will participate this year

*22 additional students will participate this year
unfunded by the program*

Help Make A Difference! We welcome all members to our Directory of Labs so you have an opportunity to host one of our student participants.

Pediatric Research Foundation

This is a support foundation which has been established by the APS and SPR to help secure the future of the Societies. Our goal is to raise a three million dollar endowment.

Public Policy Council

The Public Policy Council (PPC) was created to combine the legislative advocacy efforts of the American Pediatric Society, the Association of Medical School Pediatric Department Chairmen and the Society for Pediatric Research to "speak with one voice."

Drs. Richard L. Bucciarelli and Stephen Berman are the APS PPC representatives.

A full PPC report is published in the 2010 PAS Program Guide (Page 173).

Questions or Suggestions?

- ❖ Please feel free to contact the Council at info@aps-spr.org
- ❖ We look forward to your continued support of the APS
